

# Royal Caribbean Brilliance of the Seas

*Brilliance of the Seas is just another example of Royal Caribbean's commitment to making your at sea vacation experience one you will never forget. More outside cabins, glass elevators facing the sea, nine-story glass-constructed Centrum, state-of-the-art technology and of course, our Gold Anchor Service that is second to none, are just a few of the ways this cruise ship will make your journey special and unique.*

## Itinerary

### Day 1 - Dubai

Believe everything you've heard about Dubai it truly is that incredible. Honestly, where else on earth can you ski both in a shopping centre and out in the desert? As one of the world's fastest growing cities, Dubai has emerged as a premier luxury travel destination, drawing visitors from all over the globe. Its dry and sunny weather, incredible shopping experiences and unique tourist attractions have helped to turn it into a bona fide hot spot where ancient and modern cultures come together.

### Day 2 - Dubai

### Day 3 - Muscat

As one of the Middle East's oldest cities dating back to the 2nd century AD, it's hard to believe that Muscat has been open to tourists for only a few decades. But seeing is believing! From the beautifully manicured parks and long, unspoiled stretches of beach to the stone moat that still surrounds the area, it is clear that Oman's monarchy has worked hard to protect the rich history and small, safe neighbourhood feel of its capital city.

### Day 4 - Fujairah

One of the seven emirates that make up the United Arab Emirates, Fujairah sits on the Gulf of Oman on the country's eastern coast. Renowned as a rich area, visiting Fujairah is the ideal opportunity to make the most of designer shopping and up market restaurants. The semi tropical climate casts a warm glow over the city while you enjoy your stay.

### Day 5 - Abu Dhabi

The name Abu Dhabi literally means 'place of the gazelle'. Today Abu Dhabi is the capital of the UAE. It has changed a lot in the last decades. It is a rather cosmopolitan city, with its bold urban architecture and lush gardens. It is also the seat of government for the Emirates. It is the headquarter for the president of the state. The Abu Dhabi Corniche, with its public parks and fountains, is a remarkable landscape of the city. The city has grown so rapidly, there is no natural beachfront now, but nonetheless an impressive and attractive city with all modern amenities.

### Day 6 - Mina Sulman

Mina Sulman is one of the major ports in the Middle East and can be found in Bahrain. With its position in the centre of the Gulf, Bahrain has a long trading history and has acted as a stop off point between Mesopotamia (Iraq) and India. Bahrain is a dry country and people should take care to ensure that they are conservatively dressed and respectful of the local customs and laws.

### Day 7 - Dubai
